

Today's Market Quotations

ANOTHER LIGHT DAY ON EXCHANGE

Business in Wall Street Was Again Quiet Today Reaching Only Third of Average.

New York, Nov. 23.—Stock sales in the first hour today were very light, scarcely exceeding 100,000 shares, as against the recent average of 300,000, and were perceptibly lighter before midday. Such leaders as United States Steel, Reading, Union Pacific and Amoskeag were in very moderate demand, while some very obscure industrial and utility came forward. War specialties moved languidly, but the undertone was firm. Petroleum also lost much of their recent activity. Bonds were firm.

Few changes of note were recorded by standard stocks at the opening of today's market, but some of the specialties, notably war issues, were higher by 1 to 2 points. Baldwin Locomotive rose 2 1/2 to 118 1/2 on a revival of rumors that dividend action may soon be action. Coppers were fractionally higher and pressure against Mercantile Marine preferred relaxed. Among the rails, New Haven, which weakened in yesterday's late dealings, fell a substantial fraction of 78 1/2, but soon recovered.

Hughes' Name Withdrawn.
Lincoln, Neb., Nov. 23.—Secretary of State Pool of Nebraska today announced that he would grant the request of Associate Justice Hughes of the supreme court and withdraw the latter's name from the Nebraska primary ballot as a candidate for the republican nomination.

BEARS DOMINATE THE WHEAT LIST

All Conditions Simultaneously Favor Downward Trend of Quotations in Market.

Chicago, Nov. 23.—Bears had an advantage in the wheat market today owing to favorable weather, continued liberal receipts and to lower cable quotations. New high records for ocean freight rates tended to discourage the bulls. Unwillingness of owners to send vessels to the Mediterranean was a special element of depression. Opening prices here, which ranged from 1/2 to 1 1/4 lower, with December at 1.02 1/2 to 1.03, and May at 1.05 to 1.06 1/2, were followed by only slight rallies.

Subsequently, weakness increased because of announcement that for the first time this season the world's available supply total exceeded the corresponding figures of a year ago. A sharp rally ensued when British dealers were published that any Greek ships were being held up or that a blockade of Greece was in force. The close was nervous at the same as yesterday's finish to 1/4 higher with December 1.03 1/2 and May 1.03 1/2.

Corn was strong on account of light receipts. There was said to be an active demand from industries. After opening a shade off to 1/4 up, the market scored a moderate general advance.

Oats hardened with corn but trade was not broad.
